PROFESSIONAL SUMMARY

Hands-on Social Media & Digital Media Specialist with experience managing digital presences for personal brands, businesses, technology organizations, and faith-based organizations. Combines content strategy, audience development, graphic design, video editing, photography, and community management with practical live-media and AV operations. Experienced in planning, producing, publishing, and optimizing digital content across multiple platforms.

PROFESSIONAL PHILOSOPHY

"100 right followers can be more valuable than 20,000 wrong ones. Social media growth isn't just about numbers—it is about reaching the right audience with the right content and strategy."
